**BALAI KHAZANAH ISLAM
SULTAN HAJI HASSANAL BOLKIAH**

SPEAKER 3

PANEL SESSION 2

**YM DR. SHAIKH KHALID
BIN SHAIKH HAJI AHMAD**

CHAIRMAN, INDUSTRY HSE GROUP
BRUNEI AND SERIKANDI GROUP
OF COMPANIES

With decades of leadership experience across catering, oil and gas support services, engineering, logistics, retail, aquaculture and other business sectors, he has played an active role in shaping local enterprise development and workplace culture in Brunei Darussalam. His leadership has long emphasised discipline, operational excellence, safety, resilience and people-centred management.

Through Serikandi and Industry HSE Group, Dr Shaikh Khalid has contributed to strengthening awareness of health, safety, and environmental standards across the industry. At this CEO Roundtable, he brings the perspective of a senior business leader on how leadership commitment can help create safer, healthier and more supportive workplaces, including in addressing psychosocial health at work.
