YM DR. YUKA UJITA

SENIOR OSH SPECIALIST,
INTERNATIONAL LABOUR
ORGANIZATION (ILO)

Dr. Yuka Ujita, Japanese national, is a medical doctor by profession and holds Ph.D in Preventive Medicine from the University of Occupational and Environmental Health, Japan (UOEH). On a foundation of her work experience in the medical field over twelve years, as a certified occupational physician, she offered Occupational Safety and Health (OSH) services to both workers and employers in various settings.

In 2003, she joined the ILO Subregional Office for East Asia. Since then, Dr. Ujita has contributed to improvement and promotion of safety and health at work through policy and technical advice, training, knowledge sharing, awareness raising and project backstopping both at the HQ and in the field offices. The areas she has particularly covered include OSH data, safety and health of vulnerable groups of workers (female workers, young workers, migrant workers, and those in informal economy) and hazardous child labour.

**YM NOR SYAHMUN
BINTI HAJI MATASSAN**

HEAD OF MENTAL HEALTH STRATEGY,
HEALTH PROMOTION CENTRE (HPC),
MINISTRY OF HEALTH

With over two decades of service in the Ministry of Health, Brunei Darussalam, Ms. Nor Syahmun currently serves as the Mental Health Strategic Lead at the Health Promotion Centre. She has been a pivotal figure in advancing the nation's mental health initiatives, leading key programs such as Brunei Bebas Buli, I-Mind: For Better Mental Health at Workplaces, and Mind Your Mind Brunei™. Her leadership also contributed to the establishment of Talian Harapan 145, Brunei's first mental health helpline, and the formulation of the Brunei Darussalam 1st Mental Health Action Plan 2022–2025.

A passionate advocate for mental health & well-being, Ms. Nor Syahmun continues to champion resilience, compassion, and work–life balance within communities and workplaces.

YM HAJAH ZAINAB M.A. OMAR

ASSOCIATE CONSULTANT,
CHANGELEADER

With over 40 years of experience in human resources and leadership development, she began her career with Brunei Shell Joint Ventures in 1983 and has held key roles across Brunei, Oman, Qatar, the UK, the Netherlands, Norway, and the ASEAN region. Her career includes leadership positions in BSP, BLNG, Petroleum Development Oman, Qatar Gas, and the Ministry of Energy. During her tenure at Qatar Gas, she received the “CEO Award of Excellence” and “Best Coach & Mentor” Award in recognition of her contributions to leadership and performance development.

As former HR Director of BSP (2017–2023), she played a significant role in advancing talent management, capability development, employee engagement, and Bruneianisation initiatives across the BSJV companies. Widely recognised as a respected coach and mentor in Brunei and the ASEAN region, she is passionate about developing future leaders through various professional and youth platforms. She is the Founder and current President of the Human Resources Society in Brunei, an active mentor under BEDB (DARE) programmes, and currently serves as Vice President IV Capability Development and Principal of the BRC Academy under the Brunei Darussalam Red Crescent Society.

PANEL SESSION 2

**YM DR. SHAIKH KHALID
BIN SHAIKH HAJI AHMAD**

CHAIRMAN, INDUSTRY HSE GROUP
BRUNEI AND SERIKANDI GROUP
OF COMPANIES

With decades of leadership experience across catering, oil and gas support services, engineering, logistics, retail, aquaculture and other business sectors, he has played an active role in shaping local enterprise development and workplace culture in Brunei Darussalam. His leadership has long emphasised discipline, operational excellence, safety, resilience and people-centred management.

Through Serikandi and Industry HSE Group, Dr Shaikh Khalid has contributed to strengthening awareness of health, safety, and environmental standards across the industry. At this CEO Roundtable, he brings the perspective of a senior business leader on how leadership commitment can help create safer, healthier and more supportive workplaces, including in addressing psychosocial health at work.
