## RADIATION TECHNICAL NOTE (RTN)

TOPIC <b>[UPDATE] COURSE SYLLABUS: RADIATION PROTECTION ACT (RPA) (CHAPTER 228) AND SHENA'S REQUIREMENTS UNDER THE RPA IN RADIATION-RELATED TRAINING COURSES</b>				Reference Number <b>2025/RTN/05</b>
<b>Approved by:</b> Director of Compliance and International Division	<b>Endorsed by:</b> Chief Executive Officer (CEO)	<b>Issue date:</b> 8 August 2025	<b>Expiry date:</b> None	<b>Revision No:</b> 1

**Purpose:** This Radiation Technical Note (RTN) serves to update stakeholders involved in radiation-related matters under the purview of the Safety, Health and Environment National Authority (SHENA) with respect to compliance with the Radiation Protection Act, Chapter 228. **This RTN applies to all Radiation Licensees and Approved Training Providers (ATPs), and this Note takes effect from the date of issuance.**

This update is issued with reference to the previous RTN issued by SHENA on Course Syllabus: Radiation Protection Act (Chapter 228) (RPA) and SHENA's Requirements under the RPA in Radiation-related Training Courses (Ref: 2024/RTN/02).

SHENA is pleased to inform all Approved Training Providers (ATPs), whether currently registered or intending to deliver the **Radiation Protection Act, Chapter 228 (RPA) training course**, that the certificate for participants issued upon completion of the course shall be **valid for three (3) years from the date of issuance**. For training courses completed prior to the issuance of this RTN, the corresponding certificate shall, by default, expire three (3) years from the original date of issuance to the participant.

SHENA would like to remind all radiation stakeholders to ensure that their agents are made aware of these updated arrangements.

Should there be any further clarifications on this matter, please email your enquiries to [radapplication@shena.gov.bn](mailto:radapplication@shena.gov.bn) or contact the SHENA office general line at + 673 238 2000 / +673 272 2200 anytime during office hours.
