RADIATION TECHNICAL NOTE (RTN)

TOPIC CLASSIFICATION OF RADIATION WORKPLACES AREA GUIDELINE			Reference Number 2024/RTN/04
Approved by: Acting Interim Chief Executive Officer	Issue date: 20 June 2024	Expiry date: None	Revision No: 1

Purpose: This Radiation Technical Note serves to update stakeholders who have dealings and engagements with radiation matters under the Safety, Health and Environment National Authority (SHENA).

In its continuous effort to streamline the regulatory framework on radiation matters in Brunei Darussalam, SHENA hereby publishes the **Classification of Radiation Workplaces Area Guideline** which can be found on the SHENA website via this [LINK](#).

This is in line with the requirements under “*Duties of licensees to employees*”, section 10 of the Radiation Protection Act, Cap 228 where every licensee to provide and maintain as reasonably practicable for his employees who are exposed or likely to be exposed to radiation a working environment that is safe and without risks to health.

SHENA would like to remind all radiation stakeholders to ensure that their agents are made aware of this new Guideline.

Should there be any further clarifications be required on this matter, please email your enquiries to radapplication@shena.gov.bn or contact the SHENA office general line at +673 238 2000 / +673 272 2200 anytime during office hours.

END
